

Squigly's Easter Word Search

Easter is a time of celebration for people who believe in Jesus Christ. These people are called Christians. They believe that God loved the world so much that He sent His only son Jesus to earth to help people find their way back to God.

Hundreds of people followed Jesus during His time on earth because He performed miracles and healed many people. The religious leaders became angry and jealous. Eventually these leaders had Jesus put to death on a cross. This day is remembered by Christians as "Good Friday." It is called "good" because of the belief that, although Jesus had done nothing wrong, He was punished for the wrong doing of the whole world. They believe that Jesus will forgive anyone who asks Him for forgiveness.

Christians also believe that after Jesus had died and remained in the grave for three days He came alive again. Many saw Him and touched Him and believed in Him. The celebration of Jesus rising from the dead is called Easter.

This story can be found in the Bible in the book of John chapters 18-20.

Special church services and family get togethers are some of the ways believers celebrate this day.
