Squigly has a riddle for you. Use the clues to fill in the words then transfer each letter to the corresponding number in the answer of the riddle. Note: Numbers may be used more than once but always equal the same letter. You can work back and forth between the clues and the answer.

**Why was the man disappointed with his snow tires?**

<table>
<thead>
<tr>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
<th>5</th>
